

# Hall Survey

Since becoming a community owned building, some £180,000 has been spent on the Hall to make it warm, safe and welcoming for its users. Looking forward, we now need to address what, if anything should be done to ensure the Hall meets the requirement of the community in the foreseeable future. To help in that assessment **we need your help** by responding to the following survey.

## Existing User Groups:

As a member of a user group, what additional facilities, changes to existing facilities, or changes to the services the Hall provides, would enhance your Group's user experience and assist it in developing?

## Future User Groups:

As a member of an existing group that meets elsewhere, or in thinking about starting up a new group in the Hall, what would the Hall need to provide that it does not currently provide to attract your Group to use the Hall?

## Individual Experience:

As an individual using the Hall, what improvements to facilities and/or décor do you think should be undertaken to better meet the community need in the next few years?

## How to help

Please write in your responses. The completed survey can be:

- dropped into the Hall letterbox, or
- handed to a member of the Hall Committee.  
(See [www.coveburghhall.uk/about/directors](http://www.coveburghhall.uk/about/directors) for a list of directors.)

Thank you for your support.
